### FLAMINGOS 2 GO IS FLYING IN TO SPREAD SMILES IN CYPRESS!

Cypress, Texas - April 1, 2015 – April Fools Day. Flamingos 2 Go is spreading its wings to Cypress! The company announced it will start offering full service deliveries & packages of its unique yard décor rentals to the Cypress community and many of the surrounding areas, to include Tomball, Spring, Jersey Village, Bear Creek, Katy, Memorial & The Villages.

Based in League City, Flamingos 2 Go has been surprising unsuspecting guests of honor for over a decade. A client selects a specific theme based on the occasion & honoree, and a Flamingos 2 Go decorator delivers & styles the decorations ever-so-perfectly. After the occasion, the décor is picked up & ready to rent again. There is no long-term commitment of a purchase, or storing decorations.

The number of people wanting to rent yard décor has increased a great deal over the years, with kitschy pink flamingos leading the way. Other occasion themes that are popular include "Over The Hill" Buzzards for those milestone 40<sup>th</sup>, 50<sup>th</sup> & 60<sup>th</sup> birthdays, Sweet 16, cupcake décor, smiley faces & more. Before social media, each order made approximately 30 people smile. With the emergence of social media, that number now reaches many more.

Besides helping celebrate birthdays, Flamingos 2 Go also offers packages for anniversaries, retirement, get well soon, marriage proposals, bridal showers, prom, homecoming & great "gotcha" moments. It also works with businesses for customer appreciation days & marketing promotions. Peak season hits in the spring/early summer with college & high school graduations, Mother's Day & Father's Day. Decorating for Christmas has been popular for a long time, so it is only natural to want to decorate for other special occasions. Flamingos 2 Go creates unique décor you simply do not find at your local party store, and it can be rented and styled by a decorator, providing much more customization & personalization.

One of the most special aspects of Flamingos 2 Go is that it is run by stay-at-home moms. These mom entrepreneurs are able to juggle running a business while being full-time moms. Since inception, there have been numerous moms & children benefitting from the unique business model. You will find children going to "work" with their mom, learning first-hand what a business is, and being mentored from a young age that you can build your own success if you work smart, have integrity & never give up, all while making others smile.
